

IN-CTR-005 Integra-SV (ISV) Terms and Conditions for Procurement

1.0 Entire Agreement

These General Supplier Terms and Conditions ("Terms"), along with the attached purchase order ("Order"), constitute the entire agreement (together, the "Agreement") between Integra Technologies Silicon Valley LLC ("**Integra-SV**") and the party identified on the face of the Order with whom Integra-SV is contracting ("Seller") for the sale, lease, license, or provision of Seller's products and/or services described in the Order (the "Products" or "Services"), and these Terms supersede any prior offers, negotiations, or contrary terms and conditions presented by Seller, unless expressly agreed to in advance in writing by an authorized official of Integra-SV. Any additional or differing terms or conditions proposed by Seller, whether on Seller's quotes, invoices, acknowledgement forms or other documents, are objected to by Integra-SV and shall be void and have no effect on Integra-SV unless expressly and specifically agreed to in advance in writing by an authorized official of Integra-SV. Any specifications, drawings, instructions, designs, data, and schedules furnished to Seller in connection with this Agreement are incorporated into these Terms by reference. Seller's acknowledgement, acceptance of payment, or commencement of performance shall constitute Seller's unqualified acceptance of the Agreement and all Terms herein.

2.0 Modification

This Agreement contains all the agreements of the Parties with respect to the Products or Services described in the Order and no course of dealing or usage of the trade shall be applicable unless expressly incorporated in this Agreement. The Terms contained in this Agreement may not be added to, modified, superseded or otherwise altered except by a written instrument signed by an authorized representative of Integra-SV and delivered by Integra-SV to Seller.

3.0 Best Price

Integra-SV shall not be billed at prices higher than those stated in this Agreement unless authorized by a change order issued and signed by an authorized representative of Integra-SV. Seller represents that the prices for the Products and Services are the lowest prices charged by Seller to buyers under conditions similar to those specified in this Agreement, and that such prices comply with applicable government regulations in effect at the time of quotation, sale, or delivery. Except as otherwise expressly provided in this Agreement, the prices for the Products and Services will be firm fixed prices and include all applicable federal, state, and local taxes.

4.0 Rated Orders

If the Order contains a Defense Priorities and Allocations System ("DPAS") rating, this Agreement is a "rated order" certified for national defense, emergency preparedness, and energy program use, and Seller shall follow all the requirements of the Defense Priorities and Allocation System Regulation (15 C.F.R. Part 700). In such case, Seller shall provide unqualified written acceptance or rejection to Integra-SV's authorized representative within 15 working days after receipt of a DO-rated order and within 10 working days after receipt of a DX-rated order. **RATED ORDERS TAKE PRECEDENCE OVER ALL NON-RATED ORDERS AND ALL COMMERCIAL ORDERS YOU MAY HAVE.**

5.0 Delivery, Inspection, and Acceptance

5.1 Integra-SV's production, marketing, and delivery schedules are established in reliance upon the dates for performance specified in this Agreement. Time is therefore of the essence. Early shipments will not be accepted without prior authorization from Integra-SV. If prior authorization is not received, early shipments may be returned at Seller's expense.

5.2 Title to any goods covered by this Order shall pass to Integra-SV upon final inspection and acceptance, regardless of when or where Integra-SV takes physical possession. Risk of loss or damage to articles shall remain with the Seller until:

- 5.2.1 Delivery of the Products or Services to an authorized carrier, if delivery is F.O.B. Origin; or
- 5.2.2 Final acceptance by Integra-SV or receipt of Products or Services by Integra-SV at the destination specified in the Order, whichever is later, if transportation is F.O.B. Destination.
- 5.2.3 Notwithstanding the above, the risk of loss or damage to Products or Services that fail to conform to the Agreement shall remain with the Seller until cure or final acceptance.

5.3 Unless otherwise specified, all Products shall be packed in accordance with good commercial practice. A complete packing list shall be enclosed with all shipments. Seller shall mark containers or packages with necessary lifting, loading, and shipping information, including the Order or Agreement number, item number or other identifier, dates of shipment, and the names and addresses of consignor and consignee. Bills of lading shall include this Agreement or Order number.

5.4 All Products and Services may be inspected and tested, at all reasonable times and places, by Integra-SV, its customers, higher-tier contractors, and the U.S. Government. Seller shall provide, without additional charge, all reasonable facilities and assistance for such inspections and tests. Payment for Products or Services prior to inspection shall not constitute an acceptance thereof, and if Products or Services are rejected after inspection, any such prepayment will be promptly refunded. All of Seller's records relating to the Products or Services shall be available to Integra-SV during the performance of this Agreement, and for such longer periods as may be specified by Integra-SV, but in all events no less than four (4) years. In no event shall any inspection relieve Seller of its obligations to furnish and warrant all Products and Services in accordance with the requirements of this Agreement.

5.5 If any Products or Services are found at any time not to conform to Integra-SV's specifications, or to any other requirements of this Agreement, Integra-SV shall have the right to return such Products to Seller at Seller's expense and, as to any Products not yet shipped or any Services not yet rendered, to purchase substitute items elsewhere and charge Seller for any loss incurred. Integra-SV shall not be responsible for any commitments made by Seller in advance of any commitment required of Seller to meet the prescribed delivery schedule. Delivery schedule financial penalties may be up to 1% of the Order value per business day up to 10% of the total Order value. The shipment of late deliveries will be at Seller's expense; depending on delinquency, Next Day Air shipment may be required.

6.0 Quality Management

6.1 Seller and its suppliers shall establish and maintain a quality management, inspection and counterfeit parts program acceptable to Integra-SV and consistent with current industry standards (e.g., ISO9001, AS9100, AS9115, AS9120, AS5553, AS6496, AS6174, etc.). Seller shall permit Integra-SV to review procedures, practices, processes and related documents to determine such acceptability. Records of all quality control inspection work by Seller shall be kept complete and available to Integra-SV and its customers for a period of four (4) years (unless a long period is specified elsewhere in this Agreement) after Integra-SV's acceptance of all goods delivered or services rendered under this Agreement. Seller shall have a continuing obligation to promptly notify Integra-SV of any violation or deviation from Seller's approved inspection/quality control system and to advise Integra-SV of the quantity and specific identity of any Products or Services provided to Integra-SV during the period of any such violation or deviation.

6.2 If the Order includes calibration services, Seller will provide calibration services in compliance with the requirements of ANSI Z540 latest revision and the measurement standards traceable to the

National Institute of Standards and Technology (NIST).

6.3 Seller shall not delegate or subcontract any work related to this Agreement without the prior written consent of Integra-SV. Seller shall require its suppliers and lower-tier subcontractors to comply with quality assurance requirements comparable to those contained in the Order and shall include this clause in all contracts with suppliers and lower-tier subcontractors providing items or components or performing work related to this Agreement, including this requirement to flow this clause down to their suppliers and lower-tier subcontractors. Seller assumes responsibility for the workmanship of its suppliers and lower-tier subcontractors and for the quality of items, components, materials, and services it procures.

6.4 Unless otherwise specified in this Agreement, Seller and its suppliers and lower-tier subcontractors do not have authority to process "use-as-is," "repair," standard or nonstandard repair procedures, through their internal material review board or otherwise. Such dispositions, as well as deviations and requests for waivers requiring similar disposition, shall be submitted to Integra-SV for approval, excluding rework or scrap. Seller shall utilize its appropriate nonconforming material disposition form and submit it to Integra-SV's authorized representative for approval by Integra-SV.

7.0 Warranty

7.1 In addition to any other standard, express, or implied warranties, Seller warrants that all Products and Services furnished hereunder shall:

- 7.1.1 Conform fully with all requirements of this Agreement, including any and all specifications, drawings, and performance requirements;
- 7.1.2 Conform to approve sample or samples, if any;
- 7.1.3 Unless detailed designs have been furnished by Integra-SV, be fit for the use intended by Integra-SV whether expressed or reasonably implied;
- 7.1.4 Be new and free from defects in material, workmanship, design and fabrication;
- 7.1.5 Be free from security interests, liens or encumbrances and be of good title; and
- 7.1.6 Be performed with that degree of skill and judgment normally exercised by recognized professionals delivering or performing the same or similar Products or Services.

7.2 All warranties shall run to Integra-SV, its successors, assigns, customers, and the users of the Products or Services.

7.3 In addition to any other rights Integra-SV may have, if any Products or Services delivered pursuant to this Agreement are found to be not as warranted, Integra-SV may return any such Products or Services to Seller, at Seller's expense, for correction, replacement, or credit, as Integra-SV may direct. Any Products or Services repaired or replaced shall be subject to the warranty provisions herein to the same extent as Products or Services initially furnished.

7.4 If Seller, upon notice of any defect, fails promptly to correct or replace Products or Services as required herein, Integra-SV may, without further notice, correct or replace such Products or Services, and Seller agrees to reimburse Integra-SV for all costs incurred thereby. Products or Services that have been rejected, shall not thereafter be tendered for acceptance unless the former rejection and correction is identified, and such repaired or replacement Products or Services shall be subject to the provisions of this article to the same extent as the original supplies. All warranties shall then run from the latter delivery date.

7.5 At Integra-SV's option the non-compliant products shall be repaired or replaced by the Seller at no cost to Integra-SV.

7.6 The remedies provided in this Section are in addition to any other remedies Integra-SV may be entitled to under applicable law or in equity, and will be cumulative rather than in the alternative.

8.0 Invoicing, Payment, Taxes and Duties

8.1 After each shipment made under this Agreement, Seller shall send a separate invoice, in duplicate, which shall include item numbers or other identifiers for the Products or Services and shall be accompanied by a bill of lading or express receipt. Integra-SV's Order number and part number shall appear on all invoices, packages, crates or boxes, bills of lading, express receipts, correspondence and other instruments used in connection with this Order. Invoices that do not comply with prices or other terms of the Order will be returned to the Seller for correction. All invoices shall be supported by such documents in such form as Integra-SV requests and shall bear such certification as may be required by law, regulations or this Agreement.

8.2 Unless otherwise authorized by Integra-SV, Seller shall not issue an invoice prior to the actual delivery date of products.

8.3 Unless otherwise provided, payment shall be made within sixty (60) days of the scheduled delivery date, the actual delivery date, or the date of receipt of a proper and compliant invoice, whichever is latest. Payment shall be deemed to have been made on the date Integra-SV's check is mailed or payment is otherwise tendered. Payment of invoice shall not constitute acceptance of Products or Services and shall be subject to appropriate adjustment for failure of Seller to meet the requirements of this Agreement.

8.4 Any applicable discount period to Integra-SV will run from the date of receipt of a compliant invoice (rather than the date of issuance), the actual date of acceptance of the Products or Services, or the delivery date specified in this Order, whichever is latest. Unless freight and other charges are itemized, any discount shall be taken on the full amount of the invoice.

8.5 Integra-SV may set off any amount owed by Seller to Integra-SV against any amount owed by Integra-SV in connection with this Agreement.

8.6 Prices include all applicable federal, state, and local taxes, duties, tariffs, and similar fees imposed by any government ("**Fees**"), all of which shall be listed separately on Seller's proposal or quote. Integra-SV shall not be responsible for (a) any Fees listed on the invoice but not listed on Seller's proposal or quote, (b) any amount in excess of the amount listed on the Integra-SV issued Order related to any Products or Services, or (c) costs associated with delays or storage while in customs. Seller will provide Integra-SV with thirty (30) days prior written notice for any Seller-initiated changes in prices associated with tariff changes, and such changes will be reviewed by Integra-SV on a case by case basis, when provided with proper notice and documentation supporting such tariff change. Such tariff change shall be mutually agreed to between Buyer and Seller prior to any such tariff change becoming effective. Seller shall use commercially reasonable efforts to (A) avoid tariffs and (B) provide prompt written notice to Buyer of any possible tariff changes after the Order has been placed.

8.7 Seller shall promptly repay Integra-SV any amounts paid in excess of amount due Seller per Order.

9.0 Termination for Convenience

9.1 Integra-SV reserves the right to terminate this Agreement, or any part hereof, for its convenience. Integra-SV shall terminate by delivering to Seller notice specifying the extent of termination and the effective date. In the event of such termination, Seller shall immediately stop all work hereunder and shall immediately cause any and all of its suppliers and subcontractors to cease work.

9.2 Within forty-five (45) days after the effective date of termination, Seller may submit to Integra-SV a claim reflecting the percentage of the work performed prior to the effective date of termination, plus reasonable charges Seller can demonstrate to the satisfaction of Integra-SV, using Seller's standard recordkeeping system, have resulted from the termination. Seller shall not be paid for any work performed or costs incurred which reasonably could have been avoided, and Seller must submit documented support for all claims presented to Integra-SV for reimbursement with Seller's proposal or quote.

9.3 In no event shall Integra-SV be liable for lost or anticipated profits, or unabsorbed indirect costs or overhead, or for any sum in excess of the total Order price.

9.4 Seller shall continue all work not terminated. The provision of this section shall not limit or affect the right of Integra-SV to terminate this Agreement for default.

10.0 Termination for Default

10.1 Integra-SV, by written notice, may terminate this Agreement for default, in whole or in part, if Seller:

- 10.1.1 Fails to comply with any of the terms of this Agreement;
- 10.1.2 Fails to make progress so as to endanger performance of this Agreement;
- 10.1.3 Fails to provide adequate assurance of future performance;
- 10.1.4 Files or has filed against it a petition in bankruptcy; or

i. Becomes insolvent or suffers a material adverse change in financial condition.

10.2 Prior to termination under this Section, Seller shall have ten (10) days (or such longer period as Integra-SV may authorize in writing) to cure any such failure after receipt of notice from Integra-SV, *except that* default involving delivery schedule delays, bankruptcy or adverse change in financial condition shall not be subject to this cure provision.

10.3 Following a termination for default of this Agreement, Seller shall be compensated only for Products or Services actually delivered and accepted. Integra-SV may require Seller to deliver to Integra-SV any supplies and materials, manufacturing materials, and manufacturing drawings that Seller has specifically produced or acquired for the terminated portion of this Agreement. Integra-SV and Seller shall agree on the amount of payment for these other deliverables.

10.4 Upon the occurrence and during the continuation of a default, Integra-SV may exercise any and all rights and remedies available to it under applicable law and equity, including without limitation, cancellation of this Agreement.

10.5 Seller shall continue all work not terminated.

11.0 Compliance with Laws

Seller warrants that all Products or Services produced or furnished under this Agreement will have been produced or furnished in full compliance with all applicable laws and regulations, including, without limitation, the Fair Labor Standard Act, and the laws, rules, and regulations relative to equal employment opportunity, all of which are incorporated herein by this reference. In performing the obligations of this Agreement, Seller will comply with all applicable export, import, and sanctions laws, regulations, orders, and authorizations, as they may be amended from time to time, applicable to the export (including re-export) or import of goods, software, technology, technical data or services, including without limitation the United States Export Administration Regulations ("EAR"), the United States International Traffic in Arms Regulations ("ITAR"), the United States Foreign Corrupt Practice Act, the United States Arms Export Control Act and regulations and orders administered by the United States Treasury Department's Office of Foreign Assets Control (collectively, "Export/Import Laws").

Seller shall obtain all export or import authorizations, permits and licenses at its expense, which are required under the Export/Import Laws to execute its obligations under the Agreement. Seller further agrees to indemnify and hold Integra-SV and its customers harmless from any loss or damage that may be sustained by Integra-SV for Seller's failure, or alleged failure, to do so.

12.0 Indemnification

12.1 **General.** Seller shall defend, indemnify, and hold harmless Integra-SV, its officers, directors, employees, consultants, agents, affiliates, successors, permitted assigns and customers from and against all losses, costs, claims, causes of action, damages, liabilities, and expenses, including attorney's fees, all expenses of litigation and/or settlement, and court costs, arising from any act or omission of Seller, its officers, employees, agents, suppliers, or subcontractors at any tier, in the performance of any of its obligations under this Agreement.

12.2 **Infringement.** Seller warrants that the Products and Services performed or delivered under this Contract will not infringe or otherwise violate the intellectual property rights of any third party in the United States or any foreign country. Seller further shall pay all royalties and license fees which may be payable on account of or related to the Products or Services or any part thereof. Seller shall defend, indemnify, and hold harmless Integra-SV, its officers, directors, employees, consultants, agents, affiliates, successors, permitted assigns and customers from and against all losses, costs, claims, causes of action, damages, liabilities, and expenses, including attorney's fees, all expenses of litigation and/or settlement, and court costs, arising out of any action by a third party that is based upon a claim that the Products or Services performed or delivered under this Agreement infringes or otherwise violates the intellectual property rights of any person or entity. No other provision in this Agreement, including but not limited to paragraph (a) of this Section, shall be construed to limit the liabilities or remedies of Integra-SV under this clause.

12.3 If any Products or Services involve operations by Seller on the premises of Integra-SV or one of its customers, Seller shall take all necessary precautions to ensure that its work is carried out in a safe and proper manner. Seller shall also maintain such public liability; property damage and employee's liability and compensation insurance as will protect Integra-SV from risk and from any claims under all applicable laws and regulations. Seller shall indemnify, defend, and hold harmless Integra-SV and its respective directors, officers, members, employees, contractors and agents from and against all losses, damages, expenses, claims, demands, suits, judgments, penalties and costs of any kind whatsoever, including attorney's fees and expenses, for personal injury, death or damage to property arising out of any breach of this Agreement by Seller, or any act or omission of Seller, its employees, representatives, contractors, consultants or agents.

13.0 Limitation of Liability

IN NO EVENT SHALL INTEGRA-SV BE LIABLE FOR INDIRECT, SPECIAL, CONSEQUENTIAL, MULTIPLE OR PUNITIVE DAMAGES, OR ANY DAMAGE DEEMED TO BE OF AN INDIRECT OR CONSEQUENTIAL NATURE ARISING OUT OF OR RELATED TO ITS PERFORMANCE UNDER THE CONTRACT, WHETHER BASED UPON BREACH OF CONTRACT, WARRANTY, NEGLIGENCE AND WHETHER GROUNDED IN TORT, CONTRACT, CIVIL LAW OR OTHER THEORIES OF LIABILITY, INCLUDING STRICT LIABILITY. TO THE EXTENT THAT THIS LIMITATION OF LIABILITY CONFLICTS WITH ANY OTHER PROVISION(S) OF THIS AGREEMENT, SAID PROVISION(S) SHALL BE REGARDED AS AMENDED TO WHATEVER EXTENT REQUIRED TO MAKE SUCH PROVISION(S) CONSISTENT WITH THIS PROVISION. IN NO EVENT SHALL THE TOTAL CUMULATIVE LIABILITY OF INTEGRA-SV WHETHER IN CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR OTHERWISE FOR THE PERFORMANCE OR BREACH OF THE CONTRACT OR ANYTHING

DONE IN CONNECTION THEREWITH EXCEED THE ORDER PRICE, WHICH SHALL REPRESENT THE MAXIMUM LIABILITY INTEGRA-SV HAS TO THE SELLER.

14.0 Intellectual Property and Seller's Information

14.1 In addition to the Government's rights in data and inventions, Seller agrees to grant, and hereby grants, Integra-SV, in the performance of its prime or higher-tier contract obligations, an irrevocable, nonexclusive, world-wide, royalty-free license to: (i) make, have made, sell, offer for sale, use, execute, reproduce, display, perform, distribute (internally or externally) copies of, transfer computer software to the Government and higher-tier contractors, and prepare derivative works of any inventions, discoveries, improvements, maskworks and patents as well as any and all data, copyrights, reports and works of authorship delivered in performance of this Agreement, to the extent necessary for Integra-SV to make use of the Products or Services performed or other items or deliverables delivered under this Agreement in the performance of its contract obligations with its customer(s); and (ii) authorize others to do any, some or all of the foregoing.

14.2 Seller shall not provide under, or have provided in contemplation of, this Agreement any idea, data, program, technical, business or other intangible information, however conveyed, or any document, print, tape, disc, semiconductor memory or other information-conveying tangible article, unless Seller has the right to do so, and Integra-SV shall not view any of the foregoing as confidential or proprietary.

14.3 Seller agrees that it shall not receive any right, title or interest in, or any license or right to use, Integra-SV's proprietary information or any patent, copyright, trade secret, trademark or other intellectual property rights therein, by implication or otherwise.

15.0 Prohibited Software

This Section applies only to Orders that involve the delivery of Products or Services including software.

15.1 As used herein, "Prohibited Software" means software that incorporates or embeds software in, or integrates software in connection with, as part of, bundled with, or alongside any:

15.1.1 Open source, publicly available, or "free" software, library or documentation; or

15.1.2 Software that is licensed under the General Public License ("GPL"), Lesser/Library GPL ("LGPL"), the Affero GPL ("AGPL"), the Apache license, the Berkeley Software Distribution ("BSD") license, the MIT license, the Artistic License (e.g., PERL), the Mozilla Public License ("MPL"), or any variation thereof, including without limitation licenses referred to as "Free Software License," "Open Source License," "Public License," or "GPL Compatible License" (collectively, "Prohibited Licenses"); or

15.1.3 Software provided under a license that:

- i. Subjects the delivered software to any Prohibited License;
- ii. Requires the delivered software to be licensed for the purpose of making derivative works or be redistributable at no charge; or
- iii. Obligates Integra-SV to sell, loan, distribute, disclose or otherwise make available or accessible to any third party the delivered software, any Products or Services incorporating the delivered software, or any portion thereof, in object code or source code formats.

15.2 Seller shall disclose to Integra-SV in writing and shall obtain Integra-SV's written consent before using or delivering any Prohibited Software in connection with this Agreement. Seller further warrants all Prohibited Software used or delivered in connection with this Agreement complies with any applicable license.

15.3 Seller shall defend, indemnify, and hold harmless Integra-SV, its customers and suppliers from and against any claims, damages, losses, costs, and expenses, including reasonable attorney's fees, relating to use in connection with this Agreement or the delivery of Prohibited Software. No other provision in this Agreement, including but not limited to the Indemnification clause, shall be construed to limit the liabilities or remedies of the parties for the use of Prohibited Software in connection with this Agreement or for the delivery of Prohibited Software under this Agreement.

15.4 Seller warrants that any hardware, software, and firmware delivered under this Agreement do not contain any viruses, malicious code, Trojan horse, worm, time bomb, self-help code, back door, or other software code or routine designed to (i) damage, destroy, or alter any software or hardware; (ii) reveal, damage, destroy, or alter any data; (iii) disable any computer program automatically; or (iv) permit unauthorized access to any software or hardware.

16.0 Changes

Integra-SV shall have the right at any time by written notice to Seller to make changes to the specifications, the quantity or amount of Products or Services, delivery dates, the delivery schedule, and any other requirements covering the Products or Services. If any such change causes an increase or decrease in the cost of the Products or Services, or the time required for performance under this Agreement, a corresponding adjustment will be made in the contract price or delivery date. Price increases or extensions of time for delivery shall not be binding on Integra-SV unless agreed to in writing by an authorized representative of Integra-SV. Seller must assert its right to an equitable adjustment under this clause within thirty (30) days from the date of receipt of the written change order from Integra-SV. If Seller's proposed equitable adjustment includes the cost of property made obsolete or excess by the change, Integra-SV shall have the right to prescribe the manner of disposition of the property.

17.0 Communication with Integra-SV's Customer

Seller shall not communicate with Integra-SV's customer or any higher-tier customer in connection with this Agreement, except as expressly permitted by Integra-SV; *provided that* this clause does not prohibit Seller from communicating with the U.S. Government with respect to (1) matters Seller is required by law or regulation to communicate to the Government, (2) fraud, waste or abuse communicated to a designated investigative or law enforcement representative of a Federal department or agency authorized to receive such information, (3) any matter for which this Agreement, including a FAR or FAR supplemental clause included in this Agreement, provides for direct communication by Seller to the Government, or (4) any material matter pertaining to payment or utilization.

18.0 Insurance

18.1 Seller and its suppliers and lower-tier subcontractors at any tier shall maintain for the performance of this Agreement the following insurances:

- 18.1.1 Workers' compensation insurance meeting the statutory requirements where Seller's work under the Agreement will be performed;
- 18.1.2 Employer's liability in the amount of \$1 million per each accident or per each employee for disease;
- 18.1.3 Commercial general liability including Products Liability and Completed Operations liability in the amount of \$1 million per occurrence and \$2 million in the aggregate annually, or in such higher amounts as Integra-SV may require;
- 18.1.4 Automobile liability insurance covering third party bodily injury and property damage with a minimum of \$1 million per occurrence limit, or in such higher amounts as Integra-SV may require; and

18.1.5 Such other insurance as Integra-SV may require.

18.2 Seller shall provide Integra-SV thirty (30) days advance writing notice prior to the effective date of any cancellation or change in the term or coverage of any of Seller's required insurance, provided however that such notice shall not relieve Seller of its obligations to maintain the required insurance. Seller shall have its insurers name Integra-SV as an additional insured on the Commercial General Liability and Automobile Liability policies for the duration of this Agreement. If requested, Seller shall provide a "Certificate of Insurance" evidencing Seller's compliance with these requirements. Insurance maintained pursuant to this clause shall be considered primary as respects the interest of Integra-SV and is not contributory with any insurance which Integra-SV may carry. Seller's obligations herein for procuring and maintaining insurance coverage are freestanding and are not affected by any other language in this Agreement.

19.0 Governing Law and Arbitration of Disputes

All matters arising out of or relating to this Agreement shall be governed by and construed in accordance with the internal laws of the State of Delaware, United States of America, without giving effect to any choice or conflict of law provision or rule that would cause the application of the laws of any jurisdiction other than those of the State of Delaware. The Parties specifically disclaim application to this Agreement of the United Nations Convention on Contracts for The International Sale of Goods, the Uniform Law on the Formation of Contracts for the International Sale of Goods, and any international discovery and service of process conventions.

19.1 Arbitration of Disputes

Any controversy, dispute or claim arising out of, in connection with, or in relation to the interpretation, performance or breach of this Agreement, including any claim based on contract, tort or statute, shall be settled, at the request of either party, by arbitration conducted in Orlando, Florida, or such other location upon which the Parties may mutually agree, before and in accordance with the then-existing Rules of Commercial Arbitration of the American Arbitration Association ("AAA"), except that for controversies, disputes or claims between Integra-SV and a foreign corporation, the then-existing International Arbitration Rules of the AAA shall govern, and judgment upon any award rendered by the arbitrator may be entered by any state or federal court having jurisdiction thereof.

The Parties hereby consent to the jurisdiction of an arbitration panel and of the courts located in, and venue in, Orlando, Florida, with respect to any dispute arising under this Agreement. Any controversy concerning whether a dispute is an arbitrable dispute hereunder shall be determined by one or more arbitrators selected in accordance with this provision. The Parties intended that this agreement to arbitrate be valid, specifically enforceable and irrevocable.

19.2 Initiation of Arbitration

A party may initiate arbitration hereunder by filing a written demand for arbitration with the other party to the dispute and with the American Arbitration Association ("AAA"). Arbitration hereunder shall be conducted in a timely, expedited manner.

19.3 Selection of Arbitrator

Any arbitration shall be held before a single arbitrator, who shall be selected in accordance with the procedures of the American Arbitration Association ("AAA"), and shall be a member of the Large Complex Case Panel with significant intellectual property (patent and copyright) law and semiconductor manufacturing experience. If the Parties are unable to agree on a single arbitrator, then each of the Parties shall select an arbitrator and such arbitrators shall select a third arbitrator. The arbitration shall then be held before the panel of three arbitrators.

19.4 Awards

The arbitrator(s) may, in its discretion, award to the prevailing party in any arbitration proceeding commenced hereunder, and the court shall include in its judgment for the prevailing party in any claim

arising hereunder, the prevailing party's costs and expenses (including expert witness expenses and reasonable attorneys' fees) of investigating, preparing and presenting such arbitration claim or cause of action.

20.0 Assignment

Seller may not assign, novate, or transfer, by operation of law or otherwise, this Agreement, in whole or in part, without the prior written approval of Integra-SV. In all events, this Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and assigns. Any purported assignment in contravention of this clause will be deemed null and void.

21.0 Interpretation

The headings in this Agreement are inserted for convenience only and shall not be used in the interpretation hereof.

22.0 Non-Waiver

No waiver of any provision of this Agreement, or of a breach hereof, whether express or implied, shall be effective unless in writing and signed by Integra-SV, and no waiver shall constitute a waiver of any subsequent breach.

23.0 Severability

All provisions of this Agreement are severable, and the unenforceability or invalidity of any provision shall not affect the validity or enforceability of the remaining provisions of this Agreement.

24.0 Order of Precedence

The clauses of this Agreement shall be construed and interpreted as consistent whenever possible. Any conflicts in this Agreement shall be resolved by giving precedence in the following order: (1) the Order; (2) these Terms; and (3) any statement of work, specifications, or other requirements incorporated into the Agreement.

25.0 Survivability

All rights, obligations, and duties hereunder, which by their nature or by their express terms extend beyond expiration or termination of this Agreement, including but not limited to warranties, indemnifications, intellectual property (including rights to and protection of intellectual property and proprietary information), and product support obligations shall survive the expiration or termination of this Agreement.

26.0 Relationship of Parties

Seller shall at all times be an independent contractor with respect to the operations and activities under this Agreement. Seller's personnel are not and shall not be employees or agents of Integra-SV for any purpose. Neither Party shall have any authority to act for or to bind the other party in any respect. Neither Party shall act as agent for or partner of the other Party, nor shall any Party have authority to bind the other Party except to the extent authorized herein or as otherwise provided by mutual written agreement. This Agreement is not intended to constitute or create a joint venture, pooling arrangement, partnership, or a formal business organization of any kind, and the rights and obligations of the Parties shall be only as expressly set forth herein.

27.0 Notices

All notices required or permitted under this Agreement shall be in writing and shall be deemed delivered when delivered in person, sent by confirmed facsimile to the facsimile number in the Order,

sent by email to the email address in the Order, or one calendar day after being sent by confirmed overnight or electronic mail to the address in the Order.

28.0 Government Contracts or Use

28.1 In the event the Products or Services covered by the Order are to be used in whole or in part for the performance of federal government contracts, governed by specific rules and regulations of the federal government, additional clauses may be attached and incorporated herein by reference and shall predominate in the event of conflict with any other provision of this Agreement unless specifically noted.

28.2 The referenced clauses are set forth or referred to in the Federal Acquisition Regulation ("FAR") and Department of Defense Supplement to the FAR ("DFARS"). In order to make the context of these clauses applicable to this Agreement, FAR clauses can be found at <http://acquisition.gov/comp/far/index.html>, and DFARS clauses can be found at <http://www.acq.osd.mil/dpap/dars/dfarspgi/current/index.html>.

28.3 In the event Integra-SV is required to flow-down any additional or different terms, conditions, and/or certification requirements as a requirement of its government contract, Seller agrees to negotiate in good faith with Integra-SV the incorporation of such terms, conditions, and/or certification requirements.

29.0 Notification of Equal Employment Opportunity/Affirmative Action Obligations

SELLER acknowledges that Integra-SV will rely upon SELLER certifications and representations, including representations as to business size and socio-economic status as applicable, contained in this clause and in any written offer, proposal or quote, or company profile submission, which results in award of a contract to SELLER. By entering into such contract, SELLER republishes the certifications and representations submitted with its written offer, including company profile information, and oral offers/quotations made at the request of Integra-SV, and SELLER makes those certifications and representations set forth below. SELLER shall immediately notify Integra-SV of any change of status regarding any certification or representation.

1. FAR 52.203-11 Certification and Disclosure Regarding Payments to Influence Certain Federal Transactions (Applicable to solicitations and contracts the threshold specified in FAR 3.808 on the date of subcontract award)

(a) Definitions. As used in this provision--

"Lobbying contact" has the meaning provided at 2 U.S.C. 1602(8).

The terms "agency," "influencing or attempting to influence," "officer or employee of an agency," "person," "reasonable compensation," and "regularly employed" are defined in the FAR clause of this solicitation entitled "Limitation on Payments to Influence Certain Federal Transactions" (52.203-12).

(b) Prohibition. The prohibition and exceptions contained in the FAR clause of this solicitation entitled "Limitation on Payments to Influence Certain Federal Transactions" (52.203-12) are hereby incorporated by reference in this provision.

(c) Certification. SELLER hereby certifies to the best of its knowledge and belief that no Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress on its behalf in connection with the awarding of this contract.

(d) Disclosure. If any registrants under the Lobbying Disclosure Act of 1995 have made a lobbying contact on behalf of the offeror with respect to this contract, SELLER shall complete and submit, with its offer, to Integra-SV OMB Standard Form LLL, Disclosure of Lobbying Activities, to provide the name of the registrants. SELLER need not report regularly employed officers or employees of the offeror to whom payments of reasonable compensation were made.

(e) Penalty. Submission of this certification and disclosure is a prerequisite for making or entering into this contract imposed by 31 U.S.C. 1352. Any person who makes an expenditure prohibited under this provision or who fails to file or amend the disclosure required to be filed or amended by this provision, shall be subject to a civil penalty of not less than \$10,000, and not more than \$100,000, for each such failure.

2. FAR 52.209-5 Certification Regarding Debarment, Suspension, Proposed Debarment, and Other Responsibility Matters

(a)(1) SELLER certifies, to the best of its knowledge and belief, that--

(i) SELLER and/or any of its Principals--

(A) Are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(B) Have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(C) Are not presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in subdivision (a)(1)(i)(B) of this provision; and

(ii) SELLER has not, within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.

(D) Have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at 9.104-5(a)(2) for which the liability remains unsatisfied.

(1) Federal taxes are considered delinquent if both of the following criteria apply:

(i) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(ii) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(2) Examples. (i) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(ii) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(2) Principal, for the purposes of this certification, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a division, or business segment; and similar positions).

(b) SELLER shall provide immediate written notice to Integra-SV if, at any time prior to contract award, SELLER learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that SELLER knowingly rendered an erroneous certification, in addition to other remedies available, Integra-SV may terminate this contract for default.

3. FAR 52.222-22 Previous Contracts and Compliance Reports

(a) SELLER represents that if SELLER has participated in a previous contract or subcontract subject to the Equal Opportunity clause (FAR 52.222-26): (1) SELLER has filed all required compliance reports and (2) that representations indicating submission of required compliance reports, signed by proposed subcontractors, will be obtained before subcontract awards.

(b) Paragraph (a) applies only to the extent (1) SELLER performs work in the United States, or (2) recruits' employees in the United States to Work on this Contract.

4. FAR 52.222-25 Affirmative Action Compliance

(a) SELLER represents: (1) that SELLER has developed and has on file at each establishment, Affirmative Action programs required by the rules and regulations of the Secretary of Labor (41 CFR 60-1 and 60-2), or (2) that in the event such a program does not presently exist, SELLER will develop and place in operation such a written Affirmative Action Compliance Program within one-hundred twenty (120) days from the award of this Contract.

(b) Paragraph (a) applies only to the extent (1) SELLER performs work in the United States, or (2) recruits' employees in the United States to Work on this Contract.
